PROJECT EXPERIENCE

Glitch | JavaScript | Express.js | React | Redux | CSS3 | Vite | SQL | Node.js | PostgreSQL   **GitHub** \\ **Live**
- Engineered a clone of the Steam gaming platform. Designed and implemented an interactive game listings interface, allowing users to browse a vast selection of games.
- Programmed a secure and user-friendly game purchasing system.
- Introduced a comprehensive review system enabling users to write reviews and post ratings.
- Implemented React's component-based architecture to build a highly interactive and responsive user interface.

IndieRoll | Python | Flask | Docker | AWS | React | CSS | Vite | Redux | PostgreSQL   **GitHub** \\ **Live**
- Crafted a Netflix-like service facilitating features such as user registration and profile management system, utilizing Flask for backend operations with team members.
- Enabled high-quality video streaming services, with React.
- Collaborated a personal watch-list feature for users to save and organize favorite videos, enhancing user engagement.
- Facilitated video uploads by users, integrating AWS buckets for secure and scalable video content storage.

LevelUp Lodging | JavaScript | Express.js | React | Redux | CSS3 | Vite | SQL | Node.js | PostgreSQL   **GitHub** \\ **Live**
- Developed a comprehensive clone of Airbnb, secure and intuitive user registration, and user authentication.
- Created a listing functionality that allows users to create, view, and manage listings.
- Added support for users to upload images of accommodations, enhancing listings with visual details, and implemented a review system for users to share experiences and rate stays.

WORK EXPERIENCE

NEXT DOOR SOLUTIONS | *Domestic Violence Victim Advocate* **|** San Jose, CA   **May 2022 – January 2023**
- Coordinated support and case management services to domestic violence victims, ensuring a sensitive and responsive approach.
- Conducted detailed interviews and evaluations to accurately assess the individual needs of victims.
- Acted as a strong advocate for victims, representing interests in legal proceedings.

MEDZED | *Community Health Navigator* **|** San Diego, CA   **June 2021 – May 2022**
- Guided members through the process of enrolling in appropriate health programs, ensuring support needs improved.
- Conducted comprehensive risk assessments to identify health vulnerabilities and intervention needs among members.
- Managed personalized assistance in navigating health services, and connecting members with essential healthcare providers and resources.
